Full of Love, Elvis & Carnations

Last month's Valentine's Day sparked so much love all throughout Cabot Cove, with members of the Covian Family giving candies, Hershey's Kisses, and heartfelt wishes to one another. Everyone enjoyed the fun filled day! Our Valentine's Day party embraced Elvis with cheers and laughter.

Cabot's elite party decorators made sure every heart was in place, and all the "xoxo's" were accounted for as we hung all of the shimmering wall décor. Covians had their pictures taken in the beautiful photo booth. It looked perfect!
