### Cabot Cove 4th of July Party

Resident  
Council Meeting  
24th @ 10:30  
am

Cabot's 4th of July cookout was one for the record books! With the over the top decorations, a saucy BBQ, and loads of fun with our friends, residents enjoyed the amazing day together!

Lighting the sky on our 4th of July the Activity department dressed the building to the nines and created a patriotic scene!

Big fans of BBQ, Raymond & Pat enjoyed the delicious spread. From BBQ

ribs and chicken, to hotdogs and hamburgers,

they both savored the day with a side of coleslaw, potato salad and good times!

Everyone had a fantastic time at the 4th of July Party! DJ Nick Caplin came and entertained us with patriotic music and music from the decades. Lovely celebratory cookies were served along with some adult beverages! There was dancing and singing all around.

Thank you everyone for making our Independence Day a entertaining and special celebration.

Raymond all smiles!

Pat loves to show off!

## Candlelight Dinner

Cabot Cove will be hosting another magical candlelight dinner for all the residents at Cabot Cove. It is a black tie event and encourage everyone to dress to the hilt! We will have a special meal along with champagne and Victoria

on the harp! The theme of the evening is A Midsummer Nights Dream after the Shakespeare play. There will also be a photo booth for residents and staff.

Chef Mike will be using his excellent culinary skills and creating a masterpiece meal for the event! The sweet sound of the harp will help bring the magical and whimsical atmosphere that everyone will be talking about! If you are wanting an evening dress contact Debbie in activities; she can help you find one. She can also help any men that would like a tie or dinner jacket. Come and be enchanted by the elegance and fun that William Shakespeare envisioned by his stories!

Barbara, Yvonne and Julie were all smiles and loved the food!

Some of the gang from Cabot Cove had a great time and great food at Cheddars restaurant last month! Not only was there delicious food, but great conversation and laughter! It's always a good time when we get together for our outing each month. This month we will be enjoying a beautiful sight seeing van ride to the beach and a picnic courtesy of Aravilla of Clearwater!
